

Supporting Safe, Functional Learning Environments.

EduFM supports Victorian public schools by coordinating maintenance, managing contractors, and supporting compliance obligations. We work alongside Principals and Business Managers to simplify facilities management and reduce administrative burdens.

Why Schools Choose EduFM

One Point of Contact

A single coordinator for all facilities matters.

Reduced Workload

Less administrative strain on school leadership.

Expert Oversight

Clear communication, job tracking, and performance monitoring.

Compliance Peace of Mind

Audit-ready records and transparent service delivery.

Our Core Services

We provide scalable support tailored to the specific needs of your campus.

- Reactive maintenance across Plumbing, Electrical, HVAC, Glazing, Fire, Painting, & Grounds.
- Planned & preventive maintenance programs.
- Coordination of minor works, plastering & upgrades.
- Asset condition inspections.
- Priority response for urgent issues.

Contract Management

- Sourcing & engagement of preferably local, school appropriate contractors.
- Contractor induction & site supervision.
- Single point of coordination for all trades.
- Job scheduling & performance oversight.
- Clear communication & job tracking.

Compliance & Safety Support

- Support aligned with Victorian Child Safe Standards.
- Working With Children Check (WWCC) verification.
- Essential Safety Measures (ESM) awareness.
- WorkSafe & OH&S documentation support.
- Audit-ready records & reporting.

How We Work: You Retain Full Control

EduFM operates as your single point of contact, but the school retains absolute authority over approvals, budgets, and contractor engagement.

Ad-Hoc

On-call support for one-off maintenance tasks.

Planned

Scheduled programs for recurring needs like Grounds, Electrical or Plumbing.

Inspections

Periodical site assessments for long-term compliance & safety.

Compliance Snapshot

We provide a fully compliant contractor management service including:

- WWCC & Federal Police Checks
- Site Inductions & Behavioural Contracts
- Public Liability Insurance verification
- Adherence to specific school and DET requirements
